Where has the last year gone!?!

Greetings in the precious name of Jesus. As we write this it feels and looks like winter and Christmas here in the north. We are presently working on winter trip plans (Jan 24 thru March 10) 50+ places.

It's been a special year with a month in Asia with our daughter April.

We have been back to many of the places we sing each year and are continually blessed as we visit and worship with so many different people, many of

Asia — new food, new culture, new people, but God is there too.

whom know what it means to trust in the Lord in times of weakness and need. It was fun to be at Nanih Waiya in Mississippi for their fish fry in mid-October. Great to renew acquaintances with old friends there after a 4 year absence.

We were back at Sunny Cove Camp again in July to cook for Junior Camp, but have now handed our in-camp responsibilities on to capable, younger folks. Praising God for that! Rodi will continue to serve as Treasurer and Willie continues to serve on the CSSM Ministries Ontario Board.

In June Willie was 65. Now he collects his "old man's money" like all Sr Citizens in Canada. We hope by God's grace to keep on singing as long as we have health and strength.

Our new DVD & CD are finally complete and available since the end of September (see back for more details).

Grandpa Willie & Shenny

Sandy, Tim & Shenny are still in Virginia. Tim is back in school working towards a degree in Social Work. We got to spend time with them in Jan, Feb, June & October this year! We shared a cabin at the Stoltzfus Reunion at Camp Manatawny in June. Shenny loved playing with many little cousins.

Our daughter, April, plans to spend six months in North America from Feb-July 2011. We're eager for the time together. If you would like to visit with her or have her share with a group, let us know.

Gratitude!!

When we think of things for which we are thankful, we think of the many people who bless us along the way —

providing lodging, meals, financial support, encouragement and laughter. We are so cheered by your kindness to us as we sing our way around the country.

We sing about God’s grace and trusting in the Lord. The traveling & planning give us opportunities to “practice what we preach” as we trust Him for health, strength and good roads.

We were blessed greatly by a Bible Study at our church last

spring from Romans 12. A favorite verse from that passage says, “Don’t copy the behaviour and customs of this world, but let God transform you into a NEW person by changing the way you think...”

We covet your prayers that we may keep being made new. We desire is that our lives will bear fruit, encouragement and new life for seniors and many others.

With love,

Willie & Rodi

Letters from Listeners:

Dear Willie & Rodi ... Not so long ago you were in W... and sang at ... Manor. I bought a CD. Your singing ... strengthens me in my faith. My husband is in Personal Care right now & I am alone, so you see I need some voices like yours on my pathway ... Please sing, and sing, and sing. Blessings on your ministry ...”

“Greetings to let you know what a blessing your music was as our father laid unresponsive one week in the hospital before God called him home ... Dad ... loved your CD & as a family of 10 we drew strength at his bedside with your music ... May God richly bless your ministry.”
